My Dad was the Patriarch of our family. His love, kindness, gentleness and wisdom will be greatly missed by all of us. There aren't enough words to express how I really feel about my Dad. He has always been my gentle giant. He was the one I went to privately to discuss the issues of life and to seek guidance when I was facing challenges in my own life. He always knew what to say. The last few years of his life our relationship grew deeper and stronger and I will forever cherish the things he imparted to me. I'm proud and honored to be named after him. I will always love you Dad!

We all will miss our brother in the Lord, Jim. He was always so kind, gentle and humble spirited. On behalf of our church and family, we extend our thoughts and prayers for Catherine, the children, family and friends. Remember, that to be absent in the body is to be present with the Lord. We will see our brother and friend again in that land where no death can take place, just inside the Eastern Gate.

Uncle Richard's smiling face should be in every dictionary beside the word family because he epitomized unconditional love and sacrifice for all of his family. He was ALWAYS there when he was needed, and nothing will ever fill the void his passing has left in our lives. I love him and will miss him terribly. Catherine, Pam, Jimmy, Dave, and Karen, I hope your memories of this special man will eventually bring you peace.
