Jason, I can not explain in words how much you will be missed. I will forever hold that smile that you had that would light up a room in my heart. . My heart hurts to know I will never see you on this earth again. I find comfort knowing you are in heaven. Please be with your family in this hard time and help them through this. I now know my Alyssa has a angle in heaven to help her with her sickness. I will not say goodbye to you but I will say see you again one day. Fly high in the sky my cousin. I will forever miss you! Love you always, Mary Ann Manley
