I have many great memories of a dear aunt. She never failed to light up a room when she walked in. She had the best 'wit' of anyone I knew.At the age of 5, I recall her cooking the best goulash ever and fixing liver for her dad and trying to get me to eat some too. I remember her (then) favorite colors of pink and black and also she and Jim Bob 'courting' on Valley Drive. She would wait up for hours for him to come in from the Navy.She had a heart of gold and loved her family so dearly. I know our other family members have already welcomed her to Heaven with open arms. RIP Susie, you will never be forgotten.Susan Dew WeisnerPensacola, FL

I remember when I was 12 yrs old and had hair down to my butt. She cut my hair into a shag which was the style back then. I remember telling her I needed a professional to do the cut and she laughed at me because she was a beautician. I remember you stocking the cupboards with all types of goodies - snacks that I didn't get at home. I remember your laugh. I remember you dancing to the radio with us girls. You always made me feel like part of the family (which I was) but you made me feel like one of your kids. Lots of great memories and you were a wonderful Aunt and Mom. You will be greatly missed :(
