Dear Ed & Family--We are sorry to hear of your loss and know how deeply sad this is for all of you. Although it's been years since we have seen you, there were always good times when we got together. Her personality showed in her smile and sense of humor. We are unable to make the memorial service--Tom had his hip replaced recently and I have had a few health issues also. We will be with you in our thoughts and prayers.Our Sincere Condolences,Sue & Tom Urban
