My thoughts and prayers go out to the Hart Family and Roysden Family and all other family and friends. My heart is extremely heavy for the loss of Marcus! I have many fond memories of Marcus from high school! He was a very sweet, kind, and down to earth person. If there is one thing that pops in my head is how we would always be on the same California kick ball team. And he took that game pretty seriously :) I can remember him always cracking jokes behind me in math class. He could make anyone smile. He will never be forgotten!

Mark, Patty, Brenda, Jimmy and Family. I am truly Heartbroken at your loss of Mark. He was a amazing young man. Markie I always teased him about looking just like Patty and acting just like You. What a wonderful combination of a great Kid. I always enjoyed the nights out when we all ended up running into each other. You guys were such a Loving Family and usually all together and he was so protecting of you all especially his "Baby Sister". May you find comfort in knowing he has you all cradled in his loving arms from above.. He so Loved his Family and Friends and his smile lit up the room. God has drafted a new heck of a Soldier.

I had the pleasure of being Mark's Platoon Leader for about 11 months. During my time there, I was fortunate enough to sit down and really get to know him on many occasions. Mark was a hard-charging, fun loving and fiercely loyal person and Soldier. He would run through a brick wall for any one of his buddies at the drop of a hat but would also be the one his peers would seek for advice. His influence on those around him was obvious as he was looked up to by so many. Words cannot express how sorry we all are about Mark's passing. He will always be a part of each and every member of his Platoon and will never be forgotten. My thoughts and prayers are with his friends and family, watch over us buddy.
