I remember walking down the long lane from the county line road to be greeted at the front door of their cottage on the east side of Wall Lake by our new neighbor back in the 1950's---Helen's warm smile and distinct laugh made me feel welcome. We were so happy to welcome the Rainey family to our neighborhood. Sharon was my classmate and fellow graduate in 1961 from Brighton High School. We share lots of memories riding the school bus and participating in school activities. We miss our lovely neighbor Helen. Joe Neihardt

It was always fun going to Grandma and Grandpa's house for dinner. After dinner Grandma always had her homemade pie. Not just one pie, but two, because you didn't get a sliver of pie, you were given a 1/4 of pie. Mmmmmm Good!!! love you Grandma and you will always be in my heart. I can't even image what it must be like to be face to face with God. One day I will be there and can praise Him with you!!Love You, David
