My grandfather, 'Pawpaw', was the most amazing man I've known aside from his son, my father. His spirit follows me everywhere I go. He always told me "Win kid" before every show and before every sport even, ESPECIALLY basketball. He never missed a game or lamb show. Losing hm right before fair season broke me and I almost gave up. It breaks me everyday when i realize he will never get to meet his great-granddaughter! Dakota would have loved you pawpaw. Now dad is pawpaw to her. I miss you so much lately! I have made it my mission to make you proud as you look down on me. I tell myself that Hunter is with you and that you are taking care of him for me. Please visit me again soon pawpaw! I know you were with both me and Matt the other day, and you saved my life from what happened at work that day. You slowed me down and if not, I may not still be here today to take care of my girl! I LOVE YOU PAWPAW. I'm still winning for you.
