Sherry & Jerry. I don't know how else to reach you. I've had Louise on my mind for almost a year. I've tried to call the numbers I had for her but couldn't reach her. The Wyricks and Eliffs loved her very much. My mother, Madeline, cherished their friendship. She was kind and good to me as a child and after. I remember you both coming to Daddy's funeral. We had Louise mentioned in Mom's obituary as a loving Cousin. I know your hearts hurt and you miss her every day. She was as large as life. If anyone made it to heaven, she did! Not a kinder Angel to be found. She gave me her Bananna Pudding recipe and I've never had a recipe loved by so many! She lives on 😊. Just know how many lives she touched with her goodness! God Bless.
