She will always have a special place in my heart. I remember the first time I met her at the Willrichs' home in Wickliffe. Pat brought me over to the house and she made me feel so welcome and was so warm and kind to me. She has always been that way to me through all these years. She had so many of my dear friend Pat's personality traits, I always felt connected to Pat through her. I got to know her and Pat's sister and family and have been blessed all these years with all of their friendships. Truly a wonderful family. I will miss her very much but know she is rejoicing in heaven with her husband and daughter. Love, Char

I will never forget my dear friend Nancy....She always had a smile and always made us laugh about something....The best memory I have is whenever we were together and we played a game, she would have this little basket of trinkets and she would make sure we all would get a prize. Rest in peace my dear long time friend Nancy....Love Angie
