Hi, my name is Celeste Purkhiser birth name Celeste Forgues. I am so sorry about your loss. I just happen to come across his obituary. I know I have never met any of y'all but now that I found you like to get to know you if that is something you would want to do you can e-mail me at trish\_purkhiser@yahoo.com. Thank you for your time and I look forward to hearing from you if you want. I totally understand if you don't want to. But he was my biological father and we would be half sisters. And I noticed he had more children that would also be my half siblings. Again thank you for reading this.
