Grandma truly was a special lady. She was special to me personally because I have few people in my life that motivate me to be a better man. She was one of them. I don't believe grandma would want us to be sad today. Remembered, yes but not sad. She lived a full life surrounded by the best people possible. I believe all of us whose lives she touched, today and all the days that follow should honor the life and memory of her by....Trusting in GodLoving your familyKeeping a song in your heart and share it with othersPlaying a practical joke on someone you love And tell it how it isYour loving grandson Danny

Aunt Betty, you were one of the best ever. Too many memories to share, where would I begin. You telling the boys on Garret drive to get off this channel on the walkie-talkies, me and Timmie fell for it. The last time we talked, you were amazed at what I remembered. You will be greatly missed. Good bye for now..Love your nephew Johnny

Dear Mom: I have lost one of my best friends although this is not goodbye, this is "I'll see you later!" I have so many memories to cherish but I'll never forget the ones we just recently shared for moths. Eating our favorite salads from Wendy's and watching Family Feud and laughing at each others answers! You will forever be in my heart!Love you so much!!!! XOXOLynn
