We have very fond memories of sharing a two family home in Lakewood in the late 1960's with Carol and Bob. Tina and Mike were the same ages as our three children. I also recall driving to west side churches occasionally with Carol to buy perogies made by the polish ladies there. Our families moved to Lorain County about the same time, and we would see Carol occasionally - she always enjoyed chatting about the happenings with her family and was interested in ours as well. She is a sweet lady who will be missed - she taught me the meaning of being comfortable with who you were, and that people were kind if given a chance. We will miss her and her lovely disposition. For her children, know that your mother was loved and appreciated by friends from the early days of her family - Condolences and deepest sympathies to the family.
