Becky (Ives) Dougherty sent a virtual gift in honor of Lawrence "Larry".

Uncle Larry- you will live on with me and all of my fond and funny memories. All the dinners we had at grandpas and grandmas when I was little. Camping at Shawnee, you smoking your pipes and that grin under them. You, Randy and Brian getting ready for Indian Guides, and how we used to tease you about how frugal you were.....we would say moths flew out of your wallet when you opened it. Life and time go by in the blink of an eye, but I still see your smiling face in my memories very vividly. Tell Dad I said hi, give him a big hug and tell him how much I love and miss him. I bet he is already planning your first fishing trip together, Aunt Bev is coming along too.Aunt Carroll, Randy and Brian, may peace and comfort come to you knowing he is no longer in any pain or distress. My love and prayers to all of you.Becky (Ives) Dougherty
