I worked for many years with Kenny at the Soil and Water Conservation District. He was not only an excellent bookkeeper but a person who imparted a sense of integrity and fairness to all who worked with him. In his memory, Susan and I plan to donate funds to the Seneca County Park District Endowment Fund so that future county residents may appreciate the importance of the outdoors and the many benefits it provides to the human body and soul. Thanks, Kenny, for your help and support at the Soil and Water Office.

As a kid, I would ride my bike around the neighborhood getting sponsors for the bike-a-thons that I was in and Kenny and Shirley would always invite me in for goodies and chat with me. What a great neighborhood I grew up in!!! It would be next to impossible not to like people like Shirley & Kenny!!! Kenny will be missed!!!!
