Vicki and Andrew, It is with great sadness that Kari and I read about Jim's passing. I remember Jim from visiting your home a couple times and I would see him when he worked @ LCC when I was taking some night classes. He was always a friendly kind of guy. I will always remember Jim's warm welcoming smile. He was always so gentle and patient with Kyle, who instantly took a liking to him. I can still see Kyle at 3 years old asking Jim to carry him and then proceeded to talk his ear off. Jim would carry him around, listen patiently and answer all his questions. We will miss him very much!

Vic,I spoke to Jim this morning and thanked him for being a great brother-in -law. I knew you were in safe hands with him. I always enjoyed my time with Jim and looked forward to playing our nine holes of golf every year. I told him to work on his short game, especially his putting and to make sure the golf courses are in US Open conditions when I come to see him. No one can fill Jim's shoes but I am her for you, always.I remember Jim found a job for me at Lorain Community College. After reading the description of the job and the requirements, I said to Jim, "you need a college degree for this position." He looked at me with this puzzled look on his face and said, "Don't you have a degree from Miami University?" I responded, "Oh, that's right, thanks for reminding me". I applied and got the job.Thanks for the memories and your friendship, Jim. You are missed.

Vicki & Andrew, So surprised and saddened to learn of Jim's passing. I have so many fond memories of him through Jack & LCCC. I remember the time we went to Presti's when Andrew was young~what a great day that was. Wish we were able to spend more time together as our kids grew up. Hugs to you both.
