I am so very sorry for your loss. I just open my school email and saw the sad news. I worked with Keith and we shared many laughs. He was always willing to lend a helping hand. He loved to talk about the Browns and Indians, whenever it was quiet enough to do so. May you find strength to get through the days ahead. He will always be with you as you carry his memory in your hearts.

One of my fondest childhood memories was playing baseball with Keith, and his dad Leo as our coach. We'd all pile in the back of Mr. Heck's Ford pickup truck and head out to the ball fields around Lorain County. Keith was such a great guy, just a genuine nice guy who got along with everyone, and he was also a darned good center fielder. So sorry for the family's loss. God bless and keep the Heck family.

The Ohio 4-H horse community lost a true friend Thursday when Keith Heck of Lorain County passed away suddenly. I have known Keith for a couple of years through PAS but this summer I got to talk to him more and was happy to get to know him better. I couldn't tell you his political affiliation, his favorite color, or what kind of movies he liked to watch, but I know he was proud of and loved his family, enjoyed his horses, and was a guy who got things done without fanfare. About the time I noticed something had to be done at a PAS show, there was Keith, trotting out to take care of it without being asked. I wish I had had time to get to know him better. My condolences and those of the Erie County 4-H Horse Program to Keith's family and friends.~Betsy Gordon, PAS & Erie County 4-H Horse Advisors
