Doug was a fine musician. During our years at Duquesne we shared many good times, especially in Aliquippa. Funny, I don't remember any bad times. It's been many years since we shared a laugh but I will always remember him as a friend. Sincere sympathies to his family at this somber time. May his soul rest in the peace of the Lord. Al Meixner

My deepest condolences to the family. Doug was a fellow Tamburitza at Duquesne University, and my roommate. He was a great friend. We shared many adventures during our time together. The Tammies have lost another of its own, but heaven has gotten another performer. On stage!!!! Rest in peace, my brother! Rudy Grasha

Peggy, I am so sorry for the grief and pain that you and all those who loved Doug are experiencing. It was a pleasure getting to know Doug over the last 9 years that we have worked together. We certainly have had some funny moments in "Flakewood", while talking about "Twisted" if you get my drift. Him doing that was just one of the times Doug made me laugh over the years. All of us in the office are here for you Peggy. I (we) love you so much. Jason
