First I wish to offer my condolences for the entire Tiller family and all the branches that were like family. Al will be missed by so many. My dad always would tell me it is not "goodbye" just "see you later". I believe in my heart Al is somewhere glorious reunited all who went before him, like his parents, siblings, even his two dogs Max and Bear, who surely were waiting in anticipation to see him on the other side of that rainbow bridge. Even though my marriage to his son, did not work out, Al always greeted me with a hug and a HUGE smile. He has been a grandfather of great magnitude. His children will have big shoes to fill when they become a grandpa someday. I have 2 great memories of Al. 1. Dancing with him at wedding celebration he and Leta threw for us. and 2. His unconditional love for his grandchildren. My 3 sons were so lucky to have you in their lives. Even my daughter, who was not blood to you, you always hugged and kissed her as if she were. We will miss you, miss your laughter, your jokes, your smile. But we all know we will "see you later". So, until then...

Our sincere sympathy to all of the Tiller family on your loss. Al was such a caring person who demonstrated love for Leta, his children and their spouses, grandchildren, siblings and friends. He had such a great personality and brought many laughs to all of us. We are thankful for the shared times our families had since meeting in 1979 at Liberty School Cub Scout events and N. Ridgeville Hot Stove baseball. We will fondly remember Al. May God will bless and comfort you.

To my Brother's Loving Wife, Leta, Sons, Albert and Joseph, Daughter, Sheilla, I share a loving memory of a Baby Brother who meant so much to all 8 siblings. We were various ages, but age did not break the bond of Love between us, He was our Baby Brother, we all looked out for him, and of course he was an A # 1 Mama's Boy and we wouldn't have had it any other way. This Poem is for You: To the outside world we all grow old. But not to Brothers & Sisters We know each other as we always were. We know each other's hearts. We share private family jokes. We remember family feuds and secrets, family griefs & Joys. We live outside the Touch of Time With God's Grace our strength remains, We Miss You Dear Brother Pete, but Heaven is sweeter with You There. Until we Meet Again Sister Ruth
