Lar you were the best brother in law a girl could ask for. You took me in when I had no place to go, you loved me like a brother ever since we met. The good times we had having tomato fights and cracking eggs on our heads. I have loved you through thick and thin and I will continue to love you. We have all been blessed having Marylin in your life. I will miss your smile and your love. Say hello to Mommy and Daddy for me and mike. Vicki Jo Kubat/Miller
