While sorting through the many emotions I'm feeling now(mostly grief and sadness), I remembered something that made me smile. When my oldest son, Steven was small he was introduced to Uncle Bud. He insisted on calling him Uncle Bug. No amount of coaxing could convince him otherwise. Uncle Bug he remained. Uncle Bud/Bug, I know you're in heaven now. Give Papaw Mamaw Uncle Larry Uncle David Aunt Reba and Daddy a hug from me. I'm so glad you're at peace now. I love you
