My Mom and Dad found great neighbors and even better friends in Bill and Doris when our family moved to North Olmsted. Their greatness was never more evident than when my folks went on vacation after I graduated high school and I threw a two week long graduation party with all of my closest friends. I thought I was getting away with the perfect crime, but what I didn't realize is that my parents knew exactly what was going on. Bill and Doris were in close communication with my folks and kept a close eye on us, making sure we were OK but also letting us have our fun. Now, as an adult I can appreciate and deeply respect that. Thanks for all the good times Bill. Sincerely, Mike Struharik
