I was deeply saddened to learn of Connie's passing. Connie was one of the most kind hearted people I've ever known and there was that ever present big, bright smile... You will be missed my friend. Keeping her two brothers, sister-in-law and life long friend (Dana) in my thoughts.

One of the many reasons I loved calling on the Travel Leaders office in North Olmsted was Connie. She was always kind, quick to laugh, and very informed. Loved talking travel with her but also music and sports. She knew her stuff! I'll miss not seeing that smile when I walk in the door of the agency. She was a sweet soul.

I was SO sad to just read that Connie passed away! I still can't believe it! Connie was a great friend, who I worked with years ago. She was SO much fun to hang out with and she DID love her music, as I did, so we BLASTED it when we were in the car together and played the drums on the dashboard (as the passenger) as we sang along. She called me "SandyJane" and I called her "ConnieLou." She was such a sweet and wonderful person who would do anything for you. Connie also took care of us a few times when we traveled, by setting everything up for me to make things easier. SO many great memories of her and I'm SO very sorry that she is no longer with us. I remember how much she loved her little niece and she always had a story about her to share with us at work. She ran the Customer Service Desk at Fisher's Big Wheel in North Ridgeville because she had the personality to do that job perfectly, always being SO nice to everyone that stepped up to that desk! RIP "ConnieLou" and we'll meet up again one day and continue to sing and drum out the songs together! Maybe you'll set up all of our travel plans to heaven, too when it becomes our turn to join you there. Love you and we will ALL miss you very much!
