I worked with Catherine around 1965-1968 as a stock boy shoe and men's dept while in high school and early college. She was a most kind person and remember her well. Once the ladies in the catalog dept were talking of how old they thought they looked. They asked me and being young and not too right I gave honest answers. She was quite pleased with my guess but one gal was crushed!!! I learned that day never ever to open my mouth about such things! Sorry to see she has passed but glad to know she made it til now. God Bless her family. Craig Sutorius
