To Patty and the whole Waldecker family--I was so sorry to hear f the loss of your mother. It seems that in these days so many of those who we love are leaving us too early. My Mom is 94 and I thank God every night that she is here and that He is watching over her. During this sad time, take time to reflect on all of the good times throughout the years you all have shared. Those memories are priceless and your Mom will live in them. May God bless you all and watch over you all.Sandy Heidecker
