I got to meet Diana at Giant Eagle about 8-9 years ago. She was truly an amazing person. If she seen you down she always had words to brighten your day. She always had a smile on her face. Diana will truly be missed by many.

We've known Diana for decades and she was the sweetest, funniest and kindest lady!!!! I am so blessed we got to see her Christmas Eve this past year and she was so surprised and in such good spirits. This lady truly loved the Lord and telling others about Him and all He had done in her life. We will be planting a tree in her honor in a National Park. She will be missed, but we know heaven and Diana are rejoicing now!!!! Diana tell mom and dad hi for us sweetie! XO

It was with sadness that I read of Diana's passing but I know that she is in a fall better place than you and I. I met Diana at Giant Eagle about 5 years ago, I remember telling her that my family had finally found a church home, she than said I wish you had said something because I would have invited you to try ours. She was so kind to me every time I came into shop, especially when my own beloved passed away almost 6 years ago. I will miss her kindness and her sweet smile. I truly believe that she is singing with theangels and my husband and so many others. I wish her family and friends peace and God's loving comfort around you.With love and may God BlessNancy Brenneman

I loved seeing Dee Dee at all of the family get togethers. She ALWAYS had that big smile on her face, she always made her way over to get a hug (Unless I found her to hug her first). We also enjoyed talking about our favorite pups. She will be so dearly missed.

So many memories from way back when. One of my favorites was our 9th grade prom when she was my brothers date :) She was one of the greatest friends ever, and was blessed to have her in my life. I am so happy we reconnected.

Dee and I did nursery together. When she couldn't reach or get the children she would ask if I minded. As long as I didn't mind she wanted to be there with the kiddos. She loved being with them. I will miss her. I do know she is in a much better place with our Lord.

The family doesn't know me but Diana was always so sweet to my family at Giant Eagle we were long time customers and she always was a sweet person. Being fellow Christians it was nice to hear about faith and she would ask about our church. She will be missed.
