To the family of Mrs. Goode, I offer our deepest sympathies for your profound loss. Mrs. Goode was my children's bus driver for several years. But she was so much more than that to us. She was a protector of the children on her bus. There were several times when we were dealing with older neighborhood bullies who would wait at the bus stop in front of our house for my kids to get off the bus. Mrs. Goode wouldn't leave until she knew they had made it in the house safely. She was an angel. Thank you for sharing her with the community.

We are so saddened by the passing of Debbie. Our sympathy to Dan and all your family and Marcia and Jean. Our families have been life long friends and have many special memories of both our families growing up. I think one of the most special memories was so many years ago when the Stuart girls out grew their surrey with the fringe on top and they brought it our children to enjoy for many more years. Debbie has always been a caring person who has made the lives of others better by her kind acts. It is refreshing to read the many tributes to her and know that so many loved and appreciated her. May she Rest In Peace. Kathy and Harold Bogner

Mr.Goode, Jeff, and Ali, I cannot comprehend the sadness of your loss right now. I will forever be grateful for your mom, watching me before school, when Dad and Anne had to work. Also, I will never forget her whistle to make sure you guys were coming, when it was time to come home! Always the sweetest, not only to us as we hid in her bushes during "kick the can", and now many years later, as my kids would be outside visiting grandma and grandpa, she would always talk and love on my kids. My heart is breaking for you all. May angels lead her in. Youre in our thoughts and prayers.
