I will always cherish the times we spent together on the swing on the back porch. Or sitting having tea. She was a lovely person and I am grateful to have known her for many years. ❤️

To the family of Catherine . . .It was such an honor to know and care for your mother, Catherine. She was truly a lady - very caring for others in her patient and empathetic way - even at times she was going through so much discomfort herself. She always had a smile and kind word for everyone she came in contact with.Thank you for sharing her with us at Elmcroft . . . Tina Keener, Receptionist

It was an honor to be her "personal driver" for over a year twice a week. She loved to hear gospel music. Often she would ask me to take the long way home, lol. For what I saw her go through the time I've known her showed me how incredibly strong a lady she was. And I never heard her complain. She will be missed. God bless you all. "Larry, the driver"
