I just saw this obituary on line as I searched for my childhood home and I am so very sorry for your loss. I grew up across the street from the Hanelines on Yeoman Dr. in Westlake, OH. Kathy (as I use to call her) was my childhood friend, but we lost touch after middle school . We use to spend hours playing "Barbie Dolls" together or riding our Bikes around the neighborhood till we were called in for dinner. Kathy's Dad Art, use to take us along on his company outings year after year at Euclid beach park, where we'd ride the rides till dark and eat "Humphrey" popcorn Balls & salt water taffy. I have many fond memories of your Mom when I think of my childhood. I am so sorry to hear of your loss and only wish I would have found her sooner than today. May God hold her and keep her forever. Sincerely, Denise (Domino) Janok

Dear Missy,I can't wrap my head around the fact that my dearest friend of 48 years is not a phone call away. I am forever blessed that she touched my life.We must remember that God takes us when our work is done on earth. Your Mom, my friend, accomplished so much, touching so many, in her short time on earth.The good times, hard times, exciting times, tears, hugs and just the friends "laughing and giggling" times.....will never be forgotten. Your Mom left loving memories for my children also. We have reminisced so much in the past days.You are a wonderful daughter and your Mom was so very proud of you.Love,Maryann

Melissa,Sandra & I were deeply saddened when you called us the morning after your Mom passed & gave us the news. Our deepest & heartfelt condolences & prayers to you & your family. We knew Katie for more than fifteen years thru our shared fellowship at St. Clarence Church & thru many fun-filled social interactions. She attended many of the Christmas parties we held at our home over the years. She was a sweet, kind & gentle soul who was always ready to help others, but rarely accepted assistance for herself. She spread light, love & compassion everywhere she went. She is sorely missed. May our Lord Jesus Christ cradle Katie in His arms for eternity.

Dear Sweet Melissa, we are so sorry to hear of the passing of your mom. She was a kind and compassionate lady. I told Jeremy, when he was a little boy, Aunt Katie would watch him on Saturdays, when his father would have to work, that was one of many kind gestures. She was always ready and willing to lend a helping hand.Melissa, you'll always have family here in Elyria. We would really like to keep in touch, so if you would like to, message Jeremy on Facebook, with your home address and cell number.Sending hugs and much love.Aunt Wendy and Jeremy

Kate and I worked together at DSW for a couple of years and she always had a smile on her face! We would ask to pray for one another and became friends. She was such a bright light and still is in death! She loved the Lord so much and I know she is resting with Jesus!! Praying for her family that Gods peace and comfort covers you all!!
