My Dear Friend Terri,Such a beautiful video reminds us of the precious man you had in your life and how lucky you were to have him for so many years. I remember the night at your house when you and I were in the living room laughing hysterically at something, and Arnie and Nacho were in the kitchen having a beer. I don't remember what kind of beer it was but those two were laughing almost as much as we were! When we asked what was so funny they couldn't answer and just kept on laughing! What a beautiful and handsome man he was and I can see why he stole your heart. We are hugging you and reminding you that he is free now --- free to be the man he really was, without darkness or pain but only light, and he knows how much you loved him. See you soon my friend,Bev and Arnie
