gHI first met Gloria when she was my father's fiancé. She was amiable and welcoming, and seemed pleased to meet Howard's blood daughter, her husband and the 2 grand children who lived in Australia and from his first marriage in 1943. Gloria was always gracious and kind, to all of us, and I enjoyed getting to know her in subsequent visits overseas. She was a good fit for Howard, and she tirelessly looked after him in his last year's. I am grateful to her for this, and for being able to feel close to 'Mum'. Faretheewell Gloria.

You have two champions in your life. Your Dad and your Mom. I lost my dad in 1990. The pain eased as the years passed, but I still think about him so very often. Yesterday I lost the other champion in my life, my Mom. It will take many years to ease the pain of her loss, and I will never stop thinking about her. Dad, I love you and miss you so very much. Mom, you have been gone only one day and I feel broken, like a huge part of my life is now missing. I will love and miss you forever. I was so very lucky to have such wonderful parents, I couldn't have asked for a better Dad and Mom. Mom, I am sure Dad was waiting for you, and had his arms wide open calling you back home with him. One day we will all see each other once again. Love you Mom & Dad. Your son Danny

She was such a caring and thoughtful sister. She never missed sending out cards for our birthdays and other events, and always calling to check on how I was doing when I went through all my surgeries. I will miss our Friday talks. We always hashed out family issues and our common experiences with the VFW. Even though I didn't live close by and see her everyday, I am going to miss knowing that she is only a phone call away. She was much loved and will be sadly missed.
