Todd M. Armbruster

APR 5, 1973 - FEB 10, 2021

Todd Michael Schwartz Armbruster died peacefully at his home in Clearwater, FL on February 10, 2021 at age 47. He was born on April 5, 1973 in State College, PA to his father and mother, Mike and Judy Schwartz, both of whom passed away before Todd's 14th birthday.

Todd played tennis on his high school team at Elyria Catholic. After graduation, he followed in the footsteps of his grandfather — Ben A. Schwartz, who flew reconnaissance missions in the Pacific during World War II — and joined the United States Marine Corps. Todd devoted his early adult years to his service, an experience that reinforced his sense of loyalty to God, country, family, and friends. He remained a strong supporter of the U.S. military throughout the rest of his life.

Todd had a big heart and a constant sense of humor, one most often revealed in the form of an in-context, off-the-cuff movie quote. He found his true purpose in life when his daughter Ally, now 14, was born, and wherever he is now, Todd is most likely driving a pick-up truck with the windows down, tagging a drag off a Marlboro red with Tool or Metallica blaring on the sound system.

In addition to Ally, Todd is survived by a large extended family that includes his brothers Ben, Bryon, Jason, Russell, and William; sisters Amy and Heather; and parents Jeff and Lee, as well as a host of aunts, uncles, cousins, nieces, and nephews.

A committal service with full military honors will take place 2:45 PM Friday, July 23 at the Ohio Western Reserve National Cemetery, 10175 Rawiga Road, Seville, OH 44273.

In Leu of flowers, memorial contributions are suggested in Todd's memory to Disabled American Veterans www.dav.org

I was sharing a story from my days as a young Marine and the memory of this one crazy friend made me look him up, hoping to get back in touch. I'm so sorry to hear of your loss. Todd was there when I needed someone to make me laugh, and there when I needed some backup. We caused so much trouble in Myrtle Beach! I miss you brother. Semper Fi

Todd Armbruster was most often friendly, soft-spoken, with a wonderful sense of humor. He always possessed a huge smile and a warm hug, whenever we met after a period of time. He was extremely PROUD when trained as a Marine and was excited to serve his country. His gentle spirit and KIND heart will be long remembered and cherished in our lives. Jan and Ken DeLuca

So sorry to hear of Todd's death. I was one of his high school teachers at Elyria Catholic. I remember Todd well because of his positive attitude and great sense of humor. He could really entertain a roomful. I hope that all of his family has great memories that will help in bearing this difficult time. I was not surprised that he served in the military. I recall his interest in service even as he grew during those high school years. My thoughts are with all of you. Sincerely, Bill Groomes
