Great read Patricia! Thank you for that. Very emotional read on his obituary, I broke down the laughing which turned into kinda tears when I read the part about him enjoying attending my athletic events.. I remember him showing me how to properly hit a baseball when I was in pre school maybe in the back yard on Gail Dr. and of course I was never not the best hitter on any team I ever played on. Played a little bit of Semi Pro ball in 2017 as well and I showed him some of my highlights and he loved it !! RIP Grandpa! And Rest in Peace one of my best friends since I was 2 years old, Patrick Ennis, love you both !
