Jim blessed our lives with his love for Jesus. We were privileged to hear him preach his last service at Crossroads in Sebastian. He continually said don't live in fear. We miss him but do not mourn like those with no hope. We will see him again. We keep thinking how wonderful his neuropathy and diabetes is gone forever! No more pain! Thank you Jesus. DeeDee I guess we won't be able to have that meal we were going to have with you guys. We pray for you as you return to Ohio. may God richly bless you. Your smile and love will be sorely missed in Florida. God's richest blessings on you and your family. Love, Ruthie and Eddie Kuvlesky

Jim was the person you wanted to get around at a get together. He had the brightest personality, the best laugh, and the best stories. He was not my family by blood, but he sure made me feel like he was. I will miss him greatly with all the countless others this life touched! My husband had taken our son and another young man out to dinner. When he went to pay the bill, he found out Jim, who he had seen earlier in the restaurant, had already taken care of it. I never forgot that about Jim! Here he is preaching the gospel around the world, and he takes the time to live out his faith close to home, too. The world knows he was here because he left his mark like no other and now there is a huge void...My heart breaks for his dear family! But I look forward to seeing my 'brother' again because we share a great Hope! Enjoy your reward, Jim! And give your sweet parents a hug from me!

I remember him from Willow Praise Church. I first saw him doing many nights of revival. His words helped me through a lot of mixed emotions. After one evening, I promptly threw away much junk. I am grateful for this man of God. See ya again Jim!

Jim ministered at our church in NY several times. Each time he brought a strong word from God with humor, power and passion. He was used of God mightily! He is now dancing and singing in the presence of his Father. I pray God's peace and comfort to be all around DeeDee, his family and friends.

On March 4, 2017 in Spokane Washington Jim White preached at the Grand Hotel for Fresh Impact and he asked me to help him illustrate a point...that we carry to much baggage, that needs to be placed at the Cross of Jesus! I have a 5 minute DVD of it... When I found it this week and watched it, I was so blessed again! The Lord gave me a kiss from Heaven ...that morning I had put on the same blouse that I was wearing on the DVD. It made me cry. Thank you Jesus for my friends Jim and Diane. To the White Family I am sorry for your loss. Y'all are in my prayers! I love you! From Teresa Kerbs ❤️🌈✍️

What a yielded servant of God Jim White was. I remember ministering on flute at the healing rooms for around a year, years ago when Jim oversaw this ministry and also for the extended time he spoke at Christ the King church, in which he was mightily used by God. Our prayers go up for peace and comfort for his family at this time.
