I can't believe it has been a year since you have left us. So many memories great memories remain but the fact there will be all new experiences and new memories without you still breaks my heart. We are all trying to go on without you but there are many days where it is still so difficult. Miss you and will always love you. Your husband.

I was totally shocked about Janice. She was a beautiful person as a child and grew into a beautiful woman. I coached her for four years at St. Jude's for volleyball and was the most coachable girl I ever coached and a joy to have on the team. You have my deepest sympathy .
