One of my favorite memories of Uncle Al is that he turned me on to rock and roll music. He and Aunt Gerry took me to many concerts starting when I was only 14. Bad Company at Public Hall, Alex Harvey at the Allen Theater, Southside Johnny at the Agora, to name a few. We'll miss you. Rock on with my Dad up there! Love, Cathy. Ps to Aunt Gerry: 'Al knows when to quit.' That was a fun night! XO

I have a life time of memories with my best friend Al. It started in second grade and just kept getting better. We enjoyed playing basketball in the playgrounds then went on to playing tennis and racquetball later in the years. Both ended up being electricians going to work on the Alaska pipeline then off to be his best man in Hawaii in 1977. Later in the years we lived together in NYC for almost two years. He was my #1 go to guy for overseas work in Belize, Fiji and Germany. I can't count how many beers and laughs we shared over the years. I will always have you in my memories and in prayers. Love you man !!!!!

My last dance with my cousin, Allan, was at my son's wedding . I will hold cherished memories of our young years growing up with the boisterous Hlavna household of our grandparents on Riverside Drive. Rest In Peace dear cousin. With love and fond memories, Joyce Marie Everett
