My son Andrew said it best when he said he will NEVER forget the last time he was with Darrel a few months ago, we flew in from Florida to visit and Darrell picked us up at midnight, took us over to Fed Ex, where there he had not only a car for us to borrow but left it running for a half an hour as the exact time we landed was one of the biggest snow storms of the year. 25 degrees, snow storm like we had never seen, 30 mile an hour winds and he waited for us for an hour to do this. This is the type of thing he did for you!! We appreciate all you did, it will never be forgotten. Miss you already BRO!!!!!! We love you....Mike & Denee Massie, Andrew, James & Kylee
