I am blessed to have been in Randy's life. It is a miracle to have friends that one can trust, count on and feel comfortable in their presence. He taught me so much about cars and aircraft that I will carry this knowledge, until it is my time. I pray he is the one that will greet me at Rittman. Randy was generous to a fault, and the world will be an empty place for most of us from now on. Thank you to Randy's wife, Crissy, and their family for always making me feel like I was part of them. God Bless Randy, and his family. Thank you.Greg
