Although I was only five at the time I do remember when Uncle charley said he had married Lillian. At first they lived on the third floor of my grandparent's house. At the time my parents and I lived in the upstairs of the duplex. Uncle Charley and Aunt Lillian had a bedroom and a setting room in the acttic section. We use to go roller skating some Sunday afternoons and Uncle Charley would try and show me some skating moves. Enjoyed watching them do all the skate dances which I never mastered. I remember after I got married we all use to go to GrandmaDoney's house for Easter. Aunt Lillian was such a sweet person and Uncle Charley made a great choice Elaine Michaels Nidyc

Many fun memories of Lil. I first met Lil when we were on a bowling league together. That led to roller skating with her and Chuck. Went out to eat with them when we stopped to visit them in Lake Wales. When she moved back to Ohio went to visit her and go out for lunch. I was glad to know her and will miss her. Condolences to the family. Debbie Landenberg
