Larry Smith lit a candle in honor of Carlyle.

I had the pleasure of having Coach Smith as my Freshmen Football coach. The last time we spoke he told me he told everyone he coached after me stories about me and how mean i was on the field. I got to introduce him to my son which made me so proud. I respected him so much and what he did for me in my life that i could never thank him enough. Im am so thankful to have known him. Condolences to the family. RiP Coach Smith

Carlyle was so blessed with having a photographic memory being a singer and songwriter. He was blessed with a beautiful heart and soul and he captured the people with his voice that filled their hearts like no one did in Northern Ohio . As a cousin, him and other friends formed a band in the late 60's and they were my introduction to music for the rest of my life. Carlyle was a great athlete in baseball and football. There wasn't anything I think he couldn't do ! He was simply an amazing incredible man ! I'll Love You Forever Carlyle and You'll Never be Forgotten ! ❤️❤️❤️

Carlyle was my cousin and I will miss him. He was a gentle soul and we shared many great times. I have many fond memories of him: Playing and watching baseball games with him, Sundays at Uncle Bernie's going nuts during Browns games, and watching him perform his music at different venues. He was so talented! Though we were states apart we reconnected several months ago and had many phone conversations. We talked about old times and had a lot of laughs. I can just picture that welcoming party for him in Heaven! Go rest high on that mountain. Love and prayers to all the family. Dan Justice
