he should have 4th of July picnics at Ma and Pa's house in North Ridgeville Ellen would always make something great to eat her 3 4 or 5 bean salad was simply fabulous It was so good it even made Richards burnt hamburgers and hot dogs edible. And believe me that's really a nearly Mission Impossible. Her devotion and live of God and family were apparent in her every day existence. And remember the quote from the Wizard of Oz. "A heart ❤️ is not measured by how much you love but by how much you are loved by others" God Bless
