I began flying with Metro Life Flight after Bob had left to go back to the ER. He was always such a welcome sight when we brought patients to Metro. He was always calm and in control. In my most current position Bob helped me navigate a project and I was so glad to have the opportunity to work with him once again. Bob was the type of Nurse you wanted to work with an be like.... Everyone knew and loved Bob. Rest easy friend.Kristin Hess

Bob was so blessed to have such a loving family and a life filled with love and success ... A very long time ago I delivered Donna's homemade cookies to Bob for her as I passed through the ER on my way back to MRI from Radiology. Bob was not only an excellent, kind and dedicated RN but so much more both at Metrohealth and to his family and friends. I pray God brings peace and comfort to all who love and miss him. All My Love, Gigi Hill

My deepest condolences to his wife Donna and son Rob. I was privileged to serve with Bob for many years when he flew with Cleveland Metro Life Flight where he earned his first set of wings. Bob was an excellent RN that not only served his patients but the greater community as well. I know that he was well liked by his many colleagues at MetroHealth and was dedicated to any work that he chose to do. Heaven got another angel way too soon. May his family find solace in their grief and may Bob Rest in Peace. Warmest regards, Marek Owca Former Metro Life Flight Colleague
