She listened to me and gave me advice. She talked to me about her life. I will always love Roberta.

I helped Roberta at Vitalia. She was the first person in the memory unit . It was fall so it was the perfect climate for walks and talks. I will always remember Roberta. What a wonderful woman.

We will always remember the vacation we took with Jim & Roberta. They came to WV and stayed with us. The next day we traveled together to VA to spend time with our cousins. We toured Williamsburg together and later enjoyed a dinner cruise with our cousins. I am sure I have some pictures, but haven't been able to find them yet. I have always admired Roberta. She often shared new ideas about teaching and I have no doubt that she was a big influence on her students.
