Dear Dannon and TysonThe shock isn't wearing off. We weren't aware of your Mom's passing. How sad. She was a lady who had no par. Beautiful and courageous. The last time we saw her was at that legends game in Avon we made a date but it never happened. Our loss. We hope that everyone's prayers are sustaining you at this tragic time. Add our prayers to all the others.Our love and condolences also to your father, Joe.Come to AL to see us. We are where we were 40 years agoHedy and Chuck Fye and Family

I will always love you and I will miss you so much. She played a couple jokes on me when we were growing up. The one that sticks out in my mind the most is one she did on April Fools Day. She knew that I did not like cheese. She replaced my peanut butter and jelly sandwich that my babysitter had made for my lunch with a piece of yellow paper and on it she wrote April Fools. You can imagine my surprise when I saw cheese on my sandwich. My baby sitter did put my real sandwich below her joke sandwich. When we would talk on the phone we would talk about sports,politics and many other subjects. We exchanged a lot of laughs and I will miss her so very very much. Love you sis.

I forgot to mention that we did talk a lot about family. This was truly important to me as it kept me updated on my dear family in Ohio.
