Janet, Don and family were neighbors of my family on Stoney Ridge. I grew up with their children and always cherished our friendship. I first met Janet when I was in kindergarten. She and my mother and others in the neighborhood had arranged a car pool to transport us kids to the Grange Hall for school. In later years she and Don became band boosters and tried to keep us band kids in line. 😊. I enjoyed visiting her at home and at the greenhouse and she always had a funny story to share. I'll miss seeing her at the Corn Festival, where we always seemed to run into each other and get caught up on things. She had a unique ability to see the humor in most things and seemed to always be happy. I hope her heaven is a happy place with unlimited bingo and all the cookies she wants with no calories to worry about!

My thoughts and prayers are with all of you the best of everything. God bless. NOTES: Our families have been long time friends. My parents -- Ed and Doris Henson -- played cards with and socialized with Ade and Gertrude Frank and others for several years. And, of course, Ade was the friendly barber for Dad, me and several others.

Janet and Don had been the most wonderful neighbors at their home in Florida. Don and my husband, Larry, spent hours just talking about their different types of farming. Janet always made us feel welcome, and it was a joy to see her smiling face next door. Janet and I shared many memories, and I will miss her dearly. Larry and Janis Curry
