To the family of Keefa - I worked with Keefa at Ohio Turnpike Gate 145 for just a short time - 1 year. I send somewhat belated condolences as I was on leave with a knee replacement when Keefa passed. I just returned on 8/15/24 and heard of Keefa's passing on 8/16. I'm so very sorry for the loss of sweet Keefa. She was so kind and helpful to me as I learned the ropes of Turnpike collecting and we traded ideas on next good books and authors to read. She talked very fondly of her nephews and nieces and during one conversation about books and authors we laughed about the title of a book and it's connection with our work that she had bought for, I believe, a nephew called "The Phantom Tollbooth". I wish Keefa and all who love her peace and love. With sincere condolences, Michelle Kelling, Sheffield Village, OH

I worked with Keefa for many years. She was always kind to me . We talked about places to hike. Different parks to check out. I know she liked to bike ride too. And mostly I remember her always loving her dogs. Those pets were her family. (I totally relate) . I hadn't spoken to her in awhile and was so sad to hear of her passing. She is missed.

I'm Doris (Day) Gushue. It's so sad that Keefa passed. She was so nice to be around, as was her family & Keefa's mom driving us wherever we wanted to go. I met Keefa, Cordie & Kathy Underwood when we moved to the intersection of rte 82 & Durkee Rd. & we started in grade 8. Keefa was always happy & willing to do anything. It's such a shame she's passed. I moved to Canada in the fall after graduation. Keefa will certainly be missed. My condolences to everyone.
