I worked with Marty for over 14 years. We got close. When I was in medical leave, she was too. We called each other often to pep each other up. Whenever one of us missed work, we called to make sure the other was ok. We talked a lot outside of work. I will truly miss my friend. We had a running joke cause I always refused to let her take her own garbage out and she would try to sneak around me to take it out. Rest in paradise girl, you deserve it. My deepest condolences to your family. Work will never be the same without you! You had the heart of an angel.
