Sherree was my first "sister". My mom and I lived with them for the first four years of my life and Sherree was like a big sister to me as she was with Vicki. She was always funny, laughing and loving life. Her love for her family was remarkable - she loved each and every one with a fierceness just like a mama bear! She and Ted's love for each other sustained many things throughout their lives. We will miss your wonderful laugh and beautiful smile. Fly high with the angels.

When I first met Joshua, he told me about his Uncle Ted and Aunt Sheree. He told me they had been together forever and they were still madly in love with each other. He said I would love them, and when I met them, I truly saw a love that is so rare. I admire the way Aunt Sheree loved Uncle Ted, unconditionally.
