Jay shopped at the giant eagle I worked at as the Starbucks lead, he would always come over for a tall black coffee from us at Starbucks. Complain when he couldn't get a cart with a cup holder lol. Would educate me occasionally on the ceo and Seattle Starbucks lol. My dad being a deceased Vietnam vet, we talked about that too. And he talked about his breakfast at Bonnie's and sometimes his family came too. And how he would go places for the holidays. This saddens me. I'm so sorry to all of his family and friends for his lost.

I knew Jay from cardiac rehab at the Wellness Center. We spoke about his class at Fairview High and my sister was his classmate. We'll miss seeing him!
