Greatest man ever! Best husband, father, and fellow war veteran. He taught me the love for the great outdoors. He had a unique way of teaching and mentoring. His ways were burnt in memory so the teachings would never be forgotten. He loved his beautiful wife Fran and his 3 children. Always enjoyed it when the whole family was in the same room. He always appreciated those one-on-one times in the woods, holding a fishing pole or a golf club. You will always be loved, missed, and we will pass your legacy on to others. They say, length of life on earth is like 20 minutes compared to eternity in Heaven. Dad, I'll see you in 20 minutes. Love Always Rob
