Kelly Pavelec lit a candle in honor of Nichole.

I worked with Nichole at Fairview ICU and our girls would have play dates together. I'll never forget going to the air show with her, it was such a fun day. We remained in touch for years and when we found out we were both in NE we talked about meeting up. I can't believe she's gone, she was one of the sweetest people I ever knew. RIP, I'll miss all of our laughs.
